Documents you may receive

At the initial advice appointment, your adviser will typically gather the relevant information by using a client data collection form. You will be asked to provide accurate information about your personal and financial situation and keep your adviser informed of any changes to your relevant circumstances.

Your adviser will also need to verify your identity.

When your adviser provides personal financial advice to you, you may receive one or more of the following documents:

- > Letter of Engagement
- > Client data form
- > Risk profile questionnaire
- > Statement of Advice (SoA)

Matters we can help you with

We can help you with the following:

- > Retirement planning strategies

- > Statement of Further Advice (SoFA)
- > Record of Advice (RoA)
- > Product Disclosure Statement (PDS)
- > Ongoing Fee Agreement (OFA)
- > Fee Consent Form
- > Fee Disclosure Statement

Your Adviser will generally collect relevant information within a **Client Data Form** and file notes. You can expect to be asked questions related to your income, expenses, assets, liabilities, insurances and superannuation. It is important that you provide accurate information and keep your Adviser informed of any changes to your relevant circumstances. Your Adviser will ask you to consent to your personal information being collected and stored. Please refer to the 'Privacy' section for more information on how we manage your privacy.

Where your goals relate to investment or superannuation advice your Adviser will also work with you to define your level of risk tolerance. A **Risk Profile Questionnaire** may be used to document and agree upon your level of risk tolerance.

After obtaining relevant information, your Adviser will conduct research and develop a strategy to assist you to meet your goals and objectives. The strategy is typically developed utilising specialised financial planning software.

Where personal financial product advice is being provided, the strategy will be documented in a **Statement of Advice**. The Statement of Advice will include amongst other things, the basis of the advice, explanation of the strategies and products recommended and relevant disclosures including costs of advice and products. The Statement of Advice includes an authority to proceed section where you can consent to proceed with the recommendations.

Where a financial product has been recommended, you will generally be provided with a copy of the relevant **Product Disclosure Statement (PDS)**. The PDS includes detailed information on the financial product including features, benefits, conditions, costs and cooling off rights (if applicable).

A Fee Consent Form from your relevant product provider will also be provided to you on an annual basis. You will need to complete and return the Fee Consent Form in order to continue your Ongoing Fee Agreement with us.

You may request in writing a copy of any advice document up to seven (7) years after the advice has been given.

General Advice

Your Adviser may provide you with general advice that does not consider your personal circumstances, needs or objectives. Your Adviser will give you a warning when they provide you with general advice. You should consider whether you need personal advice which considers your individual situation before you make any decisions.

Further Advice

Depending on your relevant circumstances, you may require further advice such as adjustments to superannuation contributions, insurance benefit amounts, or a review of your strategy.

Further advice can generally be documented in a **Record of Advice** and relevant file notes. In some instances, a Statement of Advice may be required. You may request, in writing, a copy of any advice document up to seven (7) years after the advice has been given.

An **Ongoing Fee Arrangement** may be utilised to formalise the ongoing services that your Adviser has agreed to provide for a fee.

Where you have entered into an ongoing fee arrangement for a period of greater than 12-months, you will receive a **Fee Disclosure Statement (FDS)** annually.

The FDS will detail services and fees paid for the previous 12-month period, and the services offered and estimated fees for the next 12-months. To ensure the ongoing fee arrangement continues, you will be required to confirm in writing annually. Confirmation may also include the requirement to sign a **Fee Consent Form** that is provided to your relevant investment or superannuation provider.

Alternatively, you may agree to a Fixed Term Arrangement with your Adviser. This arrangement will outline the services you will be provided for a fee over a specific term not greater than 12 months. In this case, you will not be provided with an FDS. You may be required to sign a Consent Form where the fee is deducted from superannuation.

You may cease any fee arrangements or disengage from your Adviser by providing written notice to your Adviser or product issuer.
